About This Collection

Tayler Hills, better known as taylerhillss or realtaylerhills, keeps things direct. Posts arrive often. A Lazy Sunday becomes a reason to get back in bed, slow and unhurried. Later the pace shifts, and the doggystyle clip shows she would rather do the job herself than leave it to anyone else. In one clip she asks whether green suits her, then answers with a look that settles it. The full gallery is linked above, open it to see every frame.
