About This Collection

Telsis comics brings Telsis into scenes that shift from The Trophy Wife and The Sex Toy to Pink Lady Mage and Sereia de Látex. A pink sex toy appears, a soap doll waits, and Bewitched adds another room at ghost-hostel. Models tease the action without giving away the full set. The captions point to parts 3 and 4, a radio that did not make it, and late-night desire. View the full gallery via the link above.
